Dear Mrs. Miller:

Your letter of 26 April 1971 with reference to place names in Arizona has been referred to the U.S. Geological Survey.

We call your attention to the fact that the Geographic Names Division, U.S. Army Topographic Command, does no research on domestic names nor does it have name files for that area. All inquiries on domestic names should be addressed to:

U.S. Department of the Interior
Room 1040
801 19th Street, N.W.
Washington, D.C. 20242

Sincerely yours,

THEODORE J. LIARD, JR.
Chief, Geographic Names Division
Department of Technical Services
